

2016

European Awareness Week
on Alcohol Related Harm

Nov. 21st-25th

EVENTS IN IRELAND

**alcohol
forum**

*Informing Nationally,
Delivering Locally*

Awareness Week on Alcohol Related Harm aims to get people thinking and talking about alcohol and how it affects individuals, families & communities. By encouraging people to examine alcohol-related issues and how they impact on all of us, we hope that it will stimulate conversation and debate and help to bring about a positive change in our harmful relationship with alcohol in Ireland.

EVENTS IN IRELAND: Nov. 21st - 25th.

Monday, November 21st

Report launch. Dual Diagnosis: A Report on Prevalence, Policy and Management.

Location: Alcohol Forum Office, Letterkenny. 11am.

Authored by Dangoule Garbare for the Alcohol Forum.
